## Affordable Housing Governance and Finance

Innovations, partnerships and comparative  
perspectives

Edited by **Gerard Van Bortel**, Delft University of Technology, Netherlands, **Vincent Gruis**, Delft University of Technology, the Netherlands, **Joost Nieuwenhuijzen**, European Federation for Living, The Netherlands and **Ben Pluijmers**, European Federation for Living, The Netherlands

This book explores innovations in housing finance arrangements, with a focus on developments across Europe, and comparative chapters from the USA and Australia. The book presents innovations in collaborative housing, co-production and accompanying finance mechanisms in order to support the quantity and the quality of affordable rental housing. It combines academic rigour with practical relevance. Chapters written by renowned housing researchers with practitioners from the housing sector. The book is of interest to researchers and professionals in housing, social policy, urban planning and finance.
